

Activities of Aranyaprathet Field Office for January-February 2012

1. Pig Raising for the Elderly and Handicapped

This revolving fund pilot program has provided each of 20 elderly and handicapped persons in Sakaew Province's Tapraya District to raise pigs with the supporting funds of Baht 4,000. The program which started since August 2011 has been supervised by the village volunteer. So far, some members have been able to sell their pigs and return the money to the Funds. The objective of this program is to give them an initial support for their further self-help activity and income generation.

2. Foodstuff for the Poor Elderly and the Handicapped

COERR Aranyaprathet Field Office continued distributing monthly supplies of rice and foodstuff to 60 poor and needy elderly and the handicapped in Tapraya district of Sakaew Province who live alone and in need of support.

COERR volunteer is seen delivering rice and foodstuff to an elderly in the program

Sponsorship for Poor Children under Enfants du Mekong

150 poor Thai children in Sakaew and Surin Provinces are benefiting from the monthly financial support from their sponsors in France under the Enfants du Mekong sponsorship program.

The sponsorship program is like a bridge connecting Thai children under the program with their sponsor/sponsors who come to Thailand on their vacation to pay a visit to their sponsored child as well as to visit Thailand.
